(A) BUYER is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware, and has all requisite corporate power and authority necessary to enter this Agreement, the Termination Agreement and all other documents contemplated hereby and thereby, to perform its obligations hereunder and thereunder, and to consummate the transactions contemplated hereby and thereby.

(B) The execution, delivery and performance of this Agreement and the Termination Agreement and the consummation of the transactions contemplated hereby and thereby, have been duly and validly authorized by all necessary corporate action on the part of BUYER; and this Agreement and the Termination Agreement are valid and binding obligations of BUYER, in each case enforceable in accordance with their respective terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization or other similar laws affecting creditors' rights generally or by equitable limitations on the availability of remedies. (D) BUYER has not employed any broker or finder or incurred any liability for brokerage fees, commissions or finder's fees in connection with the transactions contemplated by this Agreement.

(E) No state or local sales, use or other tax is due or payable as a result of the consummation of the transactions described herein.

(F) The Railcars are free and clear of (i) all liens, pledges, security interests and encumbrances created by or through BUYER or by or through any sublessee of BUYER and (ii) all materialmen's, mechanics', workmen's, repairmen's and other similar liens with respect to which provision for payment has not been made by BUYER in the ordinary course of its business; and all taxes, fees and other charges relating to the Railcars have been duly paid.

8. DELIVERY OF THE RAILCARS: Seller shall be deemed to have delivered the Railcars to BUYER, and BUYER shall be deemed to have taken delivery of and accepted the Railcars from SELLER, immediately upon the Closing, without any further action on the part of BUYER or SELLER. Title to the Railcars shall be deemed to pass in San Francisco, California.

9. WARRANTY DISCLAIMER: SELLER DOES NOT WARRANT THE RAILCARS IN ANY WAY, EITHER EXPRESSLY OR BY IMPLICATION, THE CONVEYANCE OF THE RAILCARS BEING MADE HEREBY ON AN "AS-IS, WHERE-IS" BASIS, WITHOUT RECOURSE TO SELLER, AND, WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, SELLER EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS OR ADEQUACY FOR ANY PURPOSE OR USE, QUALITY, PRODUCTIVENESS OR CAPACITY. SELLER HEREBY ASSIGNS TO BUYER (TO

THE EXTENT TO WHICH THE SAME MAY BE ASSIGNABLE), ANY APPLICABLE WARRANTY OF THE MANUFACTURER OF THE RAILCARS AND CLAIMS, CAUSES OF ACTION AND OTHER RIGHTS AS MAY EXIST WITH RESPECT TO THE RAILCARS.

10. BUYER'S REMEDIES: In the event of a breach by SELLER of any representation, warranty or agreement of SELLER contained herein, BUYER shall have all the rights and remedies available to it at law or in equity; provided, however, that in no event shall SELLER be liable for prospective profits or special, indirect, incidental or consequential damages of any kind or in any amount other than with respect to the Existing Permitted Leases (as defined in the Loan Agreement).

11. SELLER'S REMEDIES: In the event of a breach by BUYER of any representation, warranty, agreement or obligation of BUYER contained herein, SELLER shall have all the rights and remedies available to it at law or in equity, including, without limitation, all the rights of secured parties under the Interstate Commerce Act, the Uniform Commercial Code and any other applicable law, provided, however, that lessees under Permitted Leases (as defined in the Loan Agreement) shall be entitled to possession and quiet enjoyment of the Railcars pursuant to the terms of such Permitted Leases so long as such lessees are not in default thereunder and all payments thereunder are made in accordance with the instructions of CIT.

12. INDEMNITIES:

(A) BUYER agrees that all payments to SELLER hereunder shall be free of expense to SELLER with respect to the amount of any local, state, federal, or foreign taxes (other than those measured by SELLER'S net income or capital or franchise taxes) or license fees, assessments, charges, fines or penalties hereafter levied or imposed upon or in connection with or measured by this Agreement or any sale, rental, use, payment, shipment, delivery or transfer of title with respect to any of the Railcars, all of which BUYER

assumes and agrees to pay in addition to the payments provided for herein. Specifically, BUYER agrees to pay, and to indemnify and save SELLER harmless from any delay (unless caused by SELLER) in paying, all sales, use, stamp and personal property taxes, if any, which may be payable or determined to be payable in connection with this Agreement and the transactions contemplated herein.

(B) If any claim shall be made, or any proceeding commenced (including a written notice of such proceeding), asserting the liability of SELLER for any taxes as to which BUYER shall have an indemnity obligation pursuant to Section 12(A) or 12(C) hereof, SELLER shall notify BUYER promptly of such claim or proceeding and shall forbear payment of the taxes claimed for at least fifteen (15) days after giving such notice if such forbearance is permitted by law. If BUYER shall, within fifteen (15) days after receipt of such notice, or within such shorter time period as required by the taxing authority in order to contest, request in writing that any such asserted liability be contested, SELLER shall, at its sole option, either (i) allow BUYER to conduct such contest in the name of SELLER in a manner reasonably satisfactory to SELLER and at BUYER's sole expense, or (ii) in good faith contest, at BUYER'S sole expense, the validity, applicability or amount of such taxes by, in SELLER'S sole discretion, (a) resisting payment thereof, (b) paying the same under protest, if protest shall be necessary and proper, or (c) paying such taxes and using reasonable efforts to obtain a refund thereof in appropriate administrative proceedings; provided, however, in no event shall SELLER be required to contest the imposition of any such taxes (1) beyond the level of administrative proceedings, (2) unless BUYER shall have agreed to pay, and shall pay, SELLER on demand from time to time all reasonable costs and expenses that SELLER may incur in connection with contesting such asserted liability for taxes, including, without limitation, all attorneys' and accountants' fees and

disbursements and the amount of any interest or penalty which may ultimately be payable relating to such taxes, (3) unless BUYER shall cooperate in good faith with SELLER by promptly obtaining and providing to SELLER information and documentation reasonably necessary or desirable to assist SELLER in contesting such asserted liability, (4) unless BUYER shall have acknowledged in writing to SELLER its obligation to indemnify SELLER fully for such taxes pursuant to this Agreement, and (5) unless SELLER shall have reasonably determined that the action to be taken will be conducted in a manner so as to prevent the sale, forfeiture or loss of, or the creation of a lien (other than a lien that is not capable of being foreclosed) on any of the Railcars.

SELLER will keep BUYER fully informed of the progress of any proceeding, including actions proposed to be taken by SELLER and actions taken by the relevant tax authorities. In the event either SELLER shall elect to pay the contested taxes and attempt to obtain a refund thereof or the taxing authority shall require payment to be made before allowing a contest, BUYER shall advance the amount thereof plus interest, penalties and any other additions to tax with respect thereto to SELLER on an interest-free basis. SELLER promptly shall inform BUYER of any offers of settlement proposed by the taxing authority making such claim and may agree to settle such claim unless BUYER, within fifteen (15) days after receipt of notice from SELLER of such settlement offer, shall direct SELLER not to agree to such settlement offer.

If SELLER shall receive a refund or a credit of all or any part of any of such taxes paid, reimbursed or advanced by BUYER, SELLER shall pay to BUYER, within ten (10) days of such receipt, an amount equal to the amount of such refund or credit plus any interest received thereon, reduced by all taxes required to be paid by SELLER in respect thereof, provided, however, that

such amount shall not be payable by SELLER before such time as BUYER shall have satisfied any obligations that might then be due and payable to SELLER hereunder.

If SELLER shall realize any tax saving or credit from any amount with respect to which BUYER shall have made indemnification payments to SELLER pursuant to Section 12(A) or 12(C) hereof, SELLER shall pay to BUYER within ten (10) days after SELLER shall have realized such tax saving or credit the amount of such saving or credit; provided, however, that such amount shall not be payable before such time as BUYER shall have satisfied any obligations that might then be due and payable to SELLER hereunder.

Any amount payable to SELLER pursuant to this Section 12 shall be paid by BUYER immediately upon receipt of a written demand therefor from SELLER regardless of whether (i) SELLER shall have elected to pay such taxes under protest, (ii) SELLER shall have elected to pay such taxes and to attempt to obtain a refund, (iii) a settlement shall have been reached with the taxing authority claiming such taxes, (iv) a determination shall have been made that such taxes are payable at the conclusion of administrative proceedings, or (v) BUYER shall not elect to contest the payment of such taxes in a timely manner. Any such payment shall be made directly to SELLER in immediately available funds at such bank or to such account as specified by SELLER in written directions to BUYER, or, if no such directions shall have been given, by check of BUYER payable to the order of SELLER and mailed to the SELLER by certified mail, postage prepaid at its address set forth in the introductory paragraph of this Agreement, to the attention of "Senior Credit Officer". Any amount payable under this Section 12 which is not paid when due shall bear interest at the Late Charge Rate (as defined in the Loan Agreement).

(C) BUYER hereby agrees to indemnify, defend and hold harmless SELLER from any and all claims, liabilities, losses, damages, costs and expenses, including

attorneys' fees and disbursements (collectively, "Damages") caused by, resulting from or arising out of (i) the Permitted Leases (as defined in the Loan Agreement), or the ownership, leasing, possession, operation, use or maintenance of the Railcars from and after the Closing; provided, however, that nothing contained herein shall limit in any way BUYER'S obligations with respect to indemnification of SELLER provided in the Lease Agreement, (ii) the untruth, inaccuracy or breach of any representations, warranties or agreements of BUYER contained herein or in the Termination Agreement or in any other documents contemplated hereby or thereby, and (iii) any materialmen's, mechanics', workmen's, repairmen's and other similar liens with respect to the Railcars.

(D) Except as limited by Section 10 hereof, SELLER hereby agrees to indemnify, defend and hold harmless BUYER from any and all Damages caused by, resulting from or arising out of the untruth, inaccuracy or breach of any representations, warranties or agreements of the SELLER contained herein or in the Bill of Sale or in any documents contemplated hereby or thereby.

(E) Each of BUYER and SELLER further agrees and confirms that its obligations and agreements with respect to indemnification set forth herein shall survive the execution and delivery of this Agreement and the payment of the purchase price for the Railcars hereunder.

13. GRANT OF SECURITY INTEREST:

As collateral security for the prompt and complete payment and performance when due of all the obligations of BUYER under and with respect to this Agreement and in order to induce SELLER to enter into this Agreement and to sell the Railcars to BUYER, BUYER hereby assigns, conveys, mortgages, pledges, hypothecates and transfers to SELLER and hereby grants to SELLER a security interest (junior only to the security interest of CIT therein) in all BUYER's right, title and interest in, to and under the Collateral (as defined in the

Loan Agreement), including without limitation, all right, title and interest of BUYER in and to all rents, issues, profits, revenues, and other moneys due and to become due to BUYER under, all proceeds of, and all claims for damages arising out of the breach of, any Permitted Lease (as defined in the Loan Agreement) to the extent such Permitted Lease relates to the Railcars, the right of BUYER to terminate the same, to perform thereunder, and to compel performance of the terms thereof; provided, however, that at such time as BUYER shall satisfy all the obligations it owes to CIT under the Loan Agreement, including payment of all indebtedness thereunder, whether prepaid in advance of the maturity thereof in accordance with the terms of the Loan Agreement or by payment in full of all the scheduled quarterly installment payments thereunder as they become due, the security interest granted to SELLER hereunder shall automatically, without the necessity of any action on the part of BUYER or SELLER, terminate and SELLER agrees to execute any documents reasonably requested by BUYER in order to evidence such termination; provided further, however, that if at such time as BUYER shall satisfy all its obligations to CIT, there shall exist or be continuing an Event of Default (as defined in the Loan Agreement) under the Loan Agreement as a result of which CIT shall elect or shall have elected to accelerate the Loan, then the security interest granted to SELLER hereunder shall continue in full force and effect.

14. MISCELLANEOUS:

(A) This Agreement together with the Bill of Sale relating hereto and the Termination Agreement constitute the entire agreement between SELLER and BUYER with respect to the purchase and sale of the Railcars and no representation or statement not contained, or referred to, herein, in said Bill of Sale or in said Termination Agreement shall be binding upon SELLER or BUYER as a warranty or otherwise.

(B) This Agreement shall be governed by, and construed in accordance with, the laws of the State of California, including all matters of construction, validity, performance and enforcement but without regard to its conflict of laws provisions; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. Section 11303.

(C) The headings appearing in this Agreement and in any other documents relating to this transaction are inserted only as a matter of convenience and in no way define, limit or describe the scope or intent of such sections or articles nor in any way affect this Agreement or any other documents relating to this transaction.

(D) The parties hereto agree to execute and deliver, or cause to be executed and delivered, such further instruments or documents and take such other action as may be required effectively to carry out the transaction contemplated herein.

(E) This Agreement can be modified only by a writing signed by BUYER and SELLER.

(F) All notices, requests and demands to or upon any party hereto shall be deemed to have been duly given, made or received (i) three (3) days after deposit in the United States mail, first class postage prepaid, or (ii) one (1) day after deposit with an overnight air carrier, addressed to such party at the address set forth in the introductory paragraph of this Agreement, in the case of BUYER, to the attention of Vice President-Finance, and in the case of SELLER, to the attention of "Senior Credit Officer", or to such party at such other address as may be hereafter designated in writing by such party to the other party hereto.

(G) This Agreement may be executed in two or more counterparts, and such counterparts taken together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed and do each hereby warrant and represent that their respective signatories whose signatures appear below have been and are on the date of this Agreement duly authorized by all necessary and appropriate action to execute this Agreement.
